Our wedding season runs from June through September. The first two weeks of June may or may not be ideal for outdoor ceremonies, depending on the level of snow melt.

— IT'S — YOUR DAY

The Alta Peruvian lodge is happy to have our grounds open for weddings and ceremonies during the summer. We offer you the opportunity to plan your own event with the caterer of your choice, complete with the majestic sight of Mount Superior as your backdrop.

CATERING

Due to being closed during the summer months, access to our facility is limited. While we do not provide food services, we allow you to choose your own caterer and they would have the use of our kitchen for light food staging and preparation. The kitchen's ice machine, sinks, prep tables and refrigerators are available for your use.

BYOB

That's right! You can bring your own alcoholic beverages! But, Utah state law requires that a licensed bartender serves all alcohol and kegs need to be purchased through the lodge or an authorized caterer.

YOU DON'T HAVE TO GO HOME...

But you can't stay here. Unfortunately, overnight accommodations are not available at our lodge. We're happy to provide you with a list of nearby resorts accepting summer reservations.
