

SKI FOREVER CAMP 2027

In partnership with the coaches at the Alf Engen Ski School, we're offering three distinct four-night, three-day co-ed camps designed for intermediate to advanced skiers who are comfortable on a mix of groomed and ungroomed terrain.

INSIDE THE CAMP

Over three unforgettable days, you'll have the opportunity to demo high-end skis from the extensive collection at the Alta Peruvian Ski Shop while skiing alongside an experienced Alf Engen Ski Instructor and 4–5 fellow campers.

Each group will be organized by shared ability level, pace, and preferred terrain, ensuring the experience is well suited to every skier's strengths.

Instruction will focus on ski tactics tailored to Alta's conditions and terrain, with an emphasis on helping you ski more smoothly, efficiently, and consistently over time.

Please keep in mind that all skiers should be comfortable on at least intermediate terrain in order to fully enjoy this camp experience.

GOALS & OUTCOMES

- Ski with greater smoothness and less effort
- Deepen your understanding of how equipment influences performance
- Build confidence in Alta's legendary off-trail skiing environment
- Enjoy time on the mountain with a group of like-minded skiers
